

## Before Starting the Project Application

**To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.**

### Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

## **Information About Submission without Changes**

**After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as "Read-Only;" except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.**

**If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.**

## Recipient Performance

1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request? Yes
  
2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request? No
  
3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request? Yes
  
4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request? No

## Renewal Grant Consolidation Screen

**HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).**

- 1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2018 CoC Program Competition?** No  
**If “No” click on “Next” or “Save & Next” below to move to the next screen.**

**1. Provide a description that addresses the entire scope of the proposed project.**

The purpose of the Home Again program is to provide a safe and secure living environment for chronically homeless individuals and families with disabilities, and to enable clients to better manage their mental health condition. The Home Again Program serves chronically homeless households in which an adult household member is living with a severe and persistent mental illness (SPMI) or dual diagnoses with SPMI and substance abuse and/or HIV/AIDS, and are supported through mental health, substance abuse and counseling services through Alliance Behavioral Healthcare. In addition to the Tenant-Based Rental Assistance provided by Durham Housing Authority, the goals and specific objectives for Home Again are described as follows: 1) Residential Stability- 75% of Home Again participants will remain housed in their assisted unit or move to alternative permanent housing of their choice during the operating year. 2) Increased Skills or Income - Home Again clients who enter the program without any income will secure regular income within 12 months of entry; and 60% of Home Again clients who enter the program with income will increase their income within 18 months of program entry. Home Again clients will be assisted in applying for entitlement benefits such as Supplemental Security Income and Social Security Disability Income, and receiving certification of disability status in order to receive SSDI. Alliance Behavioral Healthcare will provide the following services: 1) Assertive Outreach 2) Psychiatric Evaluations 3) Medication Evaluation and Management 4) Day Treatment & Partial Hospitalization 5) Outpatient Mental Health & Substance Abuse Treatment 6) Intensive Case Management 7) Child Care 8) Transportation 9) Contingency Funds for Basic Needs (Food, Clothing) 10) Client Behavior Intervention Services 11) Employment Assistance 12) Life Skills and 13) Psychosocial Rehabilitation. The case manager will determine the supportive services required after consultation with each Home Again client, and be responsible for documenting the value of services in order to report the total amount of match for the grant year. A comprehensive client driven treatment plan will be prepared, and the client's progress or lack of progress with treatment will be monitored by the Care Review Committee. Durham Housing Authority and Alliance Behavioral Healthcare will assist Home Again clients in finding units that meet Housing Quality Standards (HQS). Clients will have increased opportunity to live in and apply for housing opportunities in Durham, that are outside of poverty-stricken and crime-ridden neighborhoods. The actual bed inventory for this project may vary from the 10 households and 14 beds reported on the GIW, due to participants paying approximately 30% of their monthly adjusted income towards rent. Several households have reported income, and therefore less rental assistance is disbursed, enabling the project to serve more households at a given time.

### 3C. Dedicated Plus

#### Dedicated and DedicatedPLUS

**A “100% Dedicated” project is a permanent supportive housing project that commits 100% of its beds to chronically homeless individuals and families, according to NOFA Section III.3.b.**

**A “DedicatedPLUS” project is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth, that at a minimum, meet ONE of the following criteria according to NOFA Section III.3.d:**

- (1) experiencing chronic homelessness as defined in 24 CFR 578.3;
- (2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
- (3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;
- (4) residing in transitional housing funded by a joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3 prior to entering the project;
- (5) residing and has resided in a place not meant for human habitation, a safe haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions; or
- (6) receiving assistance through a Department of Veterans Affairs(VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

A renewal project where 100 percent of the beds are dedicated in their current grant as described in NOFA Section III.A.3.b. must either become DedicatedPLUS or remain 100% Dedicated. If a renewal project currently has 100 percent of its beds dedicated to chronically homeless individuals and families and elects to become a DedicatedPLUS project, the project will be required to adhere to all fair housing requirements at 24 CFR 578.93. Any beds that the applicant identifies in this application as being dedicated to chronically homeless individuals and families in a DedicatedPLUS project must continue to operate in accordance with Section III.A.3.b. Beds are identified on Screen 4B.

RE: Letter of Support

Dear Mr. Scott:

This letter will confirm the commitment of Alliance Behavioral healthcare to support your renewal application for the Home Again Shelter Plus Care Program. Alliance is responsible for ensuring that Durham County citizens who seek help for mental illness, developmental disabilities and substance abuse receive the quality services and supports for which they are eligible. We seek to help them achieve their goals and to live as independently as possible while protecting their individual rights.

Alliance (formerly The Durham Center) has managed the supportive services component for the Federal administered Shelter Plus Care program since 1993. Alliance’s provision of mental health counseling, life skills, transportation, and other supportive services has enabled Shelter Plus Care participants to learn the necessary skills to achieve residential stability and aim toward self-sufficiency.

We anticipate a need to continue to manage the supportive services for approximately fourteen consumers during the period of this grant. The array of services that may be provided to these consumers by Alliance’s contracted providers include the following:

- Community Support Team
- Assertive Community Treatment
- Alcohol and substance treatment services
- Behavioral health counseling and therapy
- Medication Management

We estimate the value of these in-kind services to be in the range of \$68,508 annually. This is not a promise of services but an estimate of the value of the services that the Home again Program’s heads of household may receive over the course of a typical year for leveraging purposes.

We look forward to working with the Durham Housing Authority to provide permanent housing for homeless persons in Durham who experience mental illness.

Sincerely,

DocuSigned by:

A Commitment to Quality Living

July 24, 2018

Dr. Benjamin S. Carson, Secretary  
U.S. Department of Housing and Urban Development  
451 7<sup>th</sup> Street, S.W.,  
Washington, DC 20410-0001

**Re: Letter of Commitment to meet the 25% Match Requirement for In-Kind Services,  
in the Administration of the Home Again Program**

Dear Secretary Carson:

As a requirement of the Durham, North Carolina Continuum of Care's 2018 Homeless Grants Competition, Durham Housing Authority (DHA) is forwarding this letter of commitment for the Shelter plus Care, Home Again Program, which DHA has administered through its Housing Choice Voucher Program Department since 2008. As a pre-requisite to submitting the Home Again Renewal Grant Application to the Durham, NC Department of Community Development, DHA would like to express its continued commitment to administering this Permanent Supportive Housing Program, and serving the chronically homeless population.

I am specifically writing to express DHA's commitment to meet the match requirement for the 2018 City of Durham, NC Continuum of Care Grant Renewal Application, which supports the Shelter plus Care, Home Again, Tenant-Based Rental Assistance Program. DHA is committed to applying for the Home Again grant renewal, serving chronically homeless families whose head of household is diagnosed with a Severe and Persistent Mental Illness (SPMI), and remaining compliant with the 25% match requirement for all CoC grant projects, as outlined in the Notice of Funding Availability.

DHA is an organization that provides a wide array of diverse housing services in the Durham community, in North Carolina. DHA will continue to provide Tenant-Based Rental Assistance in conjunction with Alliance Behavioral Healthcare. Specifically, DHA provides essential personnel to administer the daily operation of the Shelter Plus Care, Home Again program. The value of these "In-Kind" services (cost of the staff time and sundry expenses) is valued at \$60,000.

Staff time includes the following services:

- Grant preparation
- Budget preparation
- Monitoring program activities

- Preparing reports
- Coordinating the monitoring of findings, if necessary
- Evaluating program eligibility
- Managing and supervising the staff responsible for program administration
- Travel costs and expenses for HUD-sponsored trainings
- Preparation of monthly invoices
- Disbursement of rental assistance payments
- Office space and equipment
- Office supplies
- Cost of environmental review
- Inspection Services
- Rent Determination

DHA is excited to administer this program and will continue to work collaboratively with Alliance Behavioral Healthcare to ensure our goals are aligned with the goals of the grant proposal, including efforts to track and report on outcomes. DHA's collaboration with Alliance Behavioral Healthcare helps to improve accessibility to housing resources in the Durham community, and we look forward to continuing to provide rental assistance for this population.

Sincerely,

Anthony Scott  
Chief Executive Officer

**Re: Letter of Commitment for Community Planning Services for the Shelter plus Care Home Again Program**

Dear Mr. Johnson:

I am writing to express the support for the 2018 Continuum of Care (CoC) Grant Renewal Application, which supports the Shelter Plus Care, Home Again, Tenant-Based Rental Assistance Program.

Durham Housing Authority ("DHA") currently operates over 1800 units of Conventional Public Housing, and provides rental assistance to approximately 2,791 residents through the Housing Choice Voucher Program. Through subsidiary entities, DHA operates two affordable housing developments – Edgemont Elms and Preiss-Steele Place – comprised of 139 units. DHA also established a non-profit affiliate for the purpose of developing affordable housing in Durham, Development Ventures Incorporated ("DVI"). DVI, as a developer or co-developer, was involved in the development of both Edgemont Elms and Preiss-Steele Place, along with other properties.

DHA is an organization that provides a wide array of diverse housing services in the Durham community. DHA will provide Tenant-Based Rental Assistance in conjunction with Alliance Behavioral Healthcare. Specifically, DHA provides essential personnel to attend monthly meetings required to coordinate services and collaborate with community partners within the Durham Continuum of Care. DHA works with community partners to access vital services for participating families. The cost of the staff time is valued at \$10,000.

Staff time includes attendance at the following meetings and participation in the following committees:

- Housing Services Advisory Committee ("HSAC")
- Housing Results Team Sub-Committee
- Executive Directors Monthly CoC Meeting

- Monthly HMIS Meeting
- Homeless Care Review Planning Team
- Participation in the Homeless Management Information Systems ("HMIS") reporting
- Project Homeless Connect
- Council to End Homelessness Durham Monthly Meeting

We believe our commitment and participation significantly improves community collaborations and we look forward to continuing to provide rental assistance for the population served by this grant.

Sincerely,

Anthony Scott  
Chief Executive Officer
