

## Before Starting the Project Application

**To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.**

Things to Remember:

- Additional training resources can be found on the HUD.gov at [https://www.hud.gov/program\\_offices/comm\\_planning/coc](https://www.hud.gov/program_offices/comm_planning/coc).
- Questions regarding the FY 2022 CoC Program Competition process must be submitted to [CoCNOFO@hud.gov](mailto:CoCNOFO@hud.gov).
- Questions related to e-snaps functionality (e.g., password lockout, access to user's application account, updating Applicant Profile) must be submitted to [e-snaps@hud.gov](mailto:e-snaps@hud.gov).
- Project applicants are required to have a Unique Entity Identifier (UEI) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2022 Continuum of Care (CoC) Program Competition. For more information see FY 2022 CoC Program Competition NOFO.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2022 CoC Program NOFO and the FY 2022 General Section NOFO.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with navigational guides, which are also found on the HUD Exchange.
- New projects may only be submitted as either Reallocated, Bonus Projects, Reallocated + Bonus or DV Bonus. These funding methods are determined in collaboration with local CoC and it is critical that applicants indicate the correct funding method. Project applicants must communicate with their CoC to make sure that the CoC submissions reflect the same funding method.
- Before completing the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).

Since 1992, our agency has actively served the homeless community, providing hope and a home to thousands of men, women, and children experiencing homelessness. Our work has included operating successful Permanent Supportive Housing, Rapid Rehousing, Affordable Housing, Transitional Housing, and Street Outreach projects. Due to the diverse array of services and supports HNN provides, our agency is able to assist people on the broad spectrum of homelessness - from those experiencing unsheltered homelessness to those facing housing insecurity - and provides access to safe, stable, and affordable housing options.

HNN currently operates six CoC-funded projects that benefit the Durham community: two Rapid Rehousing projects and four Permanent Supportive Housing projects. The services HNN provides ensure that our community's most vulnerable neighbors have access to housing with the appropriate level of support to increase the likelihood of achieving long-term housing stability. Project services include rental assistance, housing search and placement, and case management focused on increasing life skills, addressing potential for increasing income (earned and total), connections to vocational rehabilitation services, and increasing access to healthcare.

For over a decade, HNN has operated these CoC permanent housing projects and consistently reported on their operations to local and federal entities while maintaining mandatory recordkeeping requirements for multiple funders including the Department of Housing and Urban Development (HUD), the City of Durham, and the State of North Carolina. Receipt of HUD CoC funding requires awardees to provide at least a 25% match of the grant with either cash or in-kind contributions from other sources. Each year that HNN has operated a CoC-funded grant, our agency has provided the required appropriate match amount. HNN leverages financial donations received from foundations, businesses, congregations, and a robust individual donor base to meet the match requirements of each grant every year.

Ensuring adherence to the requirements of 24 CFR part 578, HNN divides essential duties and activities between a team that provides direct service to program participants and an administrative team that ensures compliance to CoC program rules and maintains integrity of financial records for the projects. The Director of Client Services, Housing Stability Case Manager, and a Housing Navigator make up the direct service team who help participants secure permanent housing and provide supportive services to help participants stabilize in their housing. The Executive Director, Finance Director, Finance Manager, Accountant, and Government Relations and Compliance Manager make up the administrative team that oversees the fiscal management and program integrity of the CoC-funded projects.

**2. Describe your organization's (and subrecipient(s) if applicable) experience in leveraging Federal, State, local and private sector funds.**

As the recipient of several Federal, State, and local funding grants as well as financial awards from many foundations, HNH has 30 years of experience with leveraging funds. HNH currently operates six HUD CoC grants, two State ESG funded grants, three grants funded by the City of Durham, a State ESG-CV grant, and private sector awards from Blue Cross Blue Shield of North Carolina, Fox Family Foundation and the Oak Foundation round out the various funding streams HNH leverages to address the numerous needs of homelessness in the Durham Continuum of Care (CoC). The financial support from the private sector helps HNH provide a comprehensive array of supportive services, filling in gaps that exist in government funding for homeless programs by providing resources for housing stabilization activities not covered by CoC or ESG programs.

**3. Describe your organization’s (and subrecipient(s) if applicable) financial management structure.**

Housing for New Hope’s (HNH) Finance Team consists of our Finance Director, Finance Manager, Accountant, and Government Relations and Compliance Manager who share financial management responsibilities and follow established financial SOPs and generally accepted accounting principles. Our agency uses the Blackbaud and Financial Edge software to keep track of grant expenses, allowing finance staff, program managers, and grant funders to review financial statements monthly and on an as-needed basis. The Finance Team tracks monthly activities against the year to-date remaining balance in the grant.

Once HNH secures a new funding source, the Finance Team and Program Managers meet to discuss grant parameters and establish new processes to meet grant objectives if needed. HNH sets monthly benchmarks to ensure that each award is properly managed and in alignment with projected spending targets during points of the grant term. The Government Relations and Compliance Manager ensures that HNH only uses grant funds for defined eligible activities and complies with additional grant requirements.

Our Finance Director prepares revenue statements, expense reports, and provides overall budget management for all of HNH's programs and meets monthly with HNH’s Board of Directors Finance Committee, and the Finance Manager manages the day-to-day financial operations for the agency and helps prepare monthly invoices and requisitions to grant funders. Our Government Relations and Compliance Manager is responsible for overall grant oversight and monitoring programs' adherence to contract terms and performance expectations. HNH completes a Federal Single Audit on an annual basis and incorporates feedback accordingly to ensure HNH uses financial best practices.

**4. Are there any unresolved HUD monitoring or No  
OIG audit findings for any HUD grants (including  
ESG) under your organization?**

### 3B. Project Description

**1. Provide a description that addresses the entire scope of the proposed project.**

With this application, Housing for New Hope (HNN) seeks to expand our current successful Andover Apartments project. If awarded additional funding as an expansion project, HNN can offer high quality supportive services to an increased number of individuals experiencing chronic homelessness as identified on the Durham CoC's Prioritization By-Name List. Andover Apartments accepts referrals exclusively from Durham's Coordinated Entry System and By-Name List.

Andover Apartments is a PSH community that is 100% dedicated to providing housing and support to individuals experiencing chronic homelessness. Andover offers fully furnished single-room efficiency units and all utilities are included, which is helpful to this population as many have limited income or no income at all. To further support this vulnerable population, Andover adheres to the principles of Housing First and is open to all eligible participants regardless of income or history of substance use, criminal activity, and/or domestic violence. There is no designated length of stay; participants may live in their units as long as they continue to meet the basic obligations of the lease agreement and eligibility requirements for PSH.

Current CoC funding for Andover provides only operating funds and no funding to provide supportive services to participants. Historically, HNN secured private funding to employ a part-time tenant advocate to help support the needs of Andover's residents. However, part-time staffing is not sufficient to effectively respond to the increased intensity of needs and tenancy barriers of individuals being referred to the Andover project. Expansion of the Andover project will allow HNN to hire full-time project staff that will provide necessary supportive services such as case management, assistance with SSI/SSDI applications, connections to agencies providing employment training (such as Step Up Durham and the NC DHHS Vocational Rehabilitation Program), and provide access to outpatient treatment for mental health and substance abuse treatment services. Provision of these supportive services will not only improve the lives of Andover residents, but also will aid many to Move On to non-PSH housing opportunities in the community. Andover participants successfully exit the project and Move On by achieving their stated housing goals, increasing their income, and/or securing a housing subsidy with minimal supportive services (e.g., Housing Choice Voucher). The execution of successful Move On strategies will allow HNN to serve more individuals, and we anticipate that an expanded Andover project will serve 22 persons over the term of the grant.

Project staff will promote and encourage residents to take part in supportive services, however participation in supportive services will be completely voluntary and will not be a condition of tenancy in the community. When residents choose to participate in supportive services, those services will be available to them for the duration of their residency.

6 Will program participants be required to live in a specific structure, unit, or locality at any time while in the program? Yes

**6a. Explain how and why the project will implement this requirement.**

Andover Apartments is a site-based PSH community in downtown Durham that is owned and operated by Housing for New Hope. This apartment community is 100% dedicated to individuals experiencing chronic homelessness that have been prioritized for PSH by the Durham CoC's By-Name List. In order to participate in the project, program participants must lease a unit at and reside in the Andover Apartments community.

**7. Will more than 16 persons live in a single structure? Yes**

**7a. Describe the local market conditions that necessitate a project of this size.**

Andover Apartments offers 20 fully furnished single-room efficiency units complete with private kitchen, living, and sleeping spaces. Over the past two years, homelessness data reported by the Durham CoC has demonstrated the need for an additional 125 PSH units to be added to Durham's homelessness response system. In addition to the need for more PSH housing units, the CoC's prioritization By-Name List for PSH highlights the need for an expansion of the supportive services tied to PSH placements – both existing and new. We believe our request for expansion of the Andover Apartments project will not only provide more placement opportunities for the chronically homeless, but also will increase positive housing stability outcomes for existing and new participants in the project.

**7b. Describe how the project will be integrated into the neighborhood.**

Nestled in the heart of downtown Durham, Andover Apartments is conveniently located along public transportation routes, is close to community resources such as the Durham County Department of Social Services and the Durham County Main Library, and is in close proximity to grocery stores, community businesses, and a major hospital. Andover participants benefit from its downtown location by having walkable access to several area parks & recreational facilities as well as health and medical facilities. Andover's city-center location allows its residents to experience all that downtown Durham offers and gives them the ability to easily access available community resources that they may need.

**100% Dedicated or DedicatedPLUS**

A "100% Dedicated" project is a permanent supportive housing project that commits 100% of its beds to chronically homeless individuals and families, according to NOFA Section III.3.b.

A "DedicatedPLUS" project is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth, that at a minimum, meet ONE of the following criteria according to NOFA Section III.3.d:

- (1) experiencing chronic homelessness as defined in 24 CFR 578.3;
- (2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
- (3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;
- (4) residing in transitional housing funded by a joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3 prior to entering the project;
- (5) residing and has resided in a place not meant for human habitation, a safe haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions; or
- (6) receiving assistance through a Department of Veterans Affairs(VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

A renewal project where 100 percent of the beds are dedicated in their current grant as described in NOFA Section III.A.3.b. must either become DedicatedPLUS or remain 100% Dedicated. If a renewal project currently has 100 percent of its beds dedicated to chronically homeless individuals and families and elects to become a DedicatedPLUS project, the project will be required to adhere to all fair housing requirements at 24 CFR 578.93. Any beds that the applicant identifies in this application as being dedicated to chronically homeless individuals and families in a DedicatedPLUS project must continue to operate in accordance with Section III.A.3.b. Beds are identified on Screen 4B.

## **4A. Supportive Services for Participants**

### **1. Describe how program participants will be assisted to obtain and remain in permanent housing.**

Andover Apartments is 100% dedicated to providing housing and support to individuals experiencing chronic homelessness. This population typically struggles with physical and mental health challenges, including substance abuse, and has little to no income. Project staff assist prospective participants and/or the referring community agency complete the application to Andover Apartments and once PSH eligibility is confirmed and the participant is enrolled into the project, staff help the participant coordinate the move into their single-room efficiency unit.

Project supportive services include case management that focuses on solution-oriented, open-ended conversations aimed to help participants create goals for increased housing stability and improving overall health and wellness outcomes. Using a person-centered approach to goal planning, project staff foster meaningful change and promote long-term housing stability by offering optional supportive services. With input from participants, project staff establish household goals, assess income and program engagement quarterly, and modify interventions accordingly. Staff also use case management to address barriers such as food insecurity, reduced income, and other barriers to housing and income stability. Additional supportive services include transportation in agency-owned vehicles so that participants can attend health/medical and SSI/SSDI benefits appointments.

### **2. Describe the specific plan to coordinate and integrate with other mainstream health, social services, and employment programs for which program participants may be eligible.**

Participants in the Andover Apartments project can choose from an array of services including case management with connections to and assistance with obtaining mainstream benefits that they may be eligible for like SNAP, SSI/SSDI, and Veterans benefits. To make sure participants attend scheduled benefits appointments, project staff provide transportation in Housing for New Hope-owned vehicles or provide public transportation tickets to participants. If employment income is possible for the household, project staff coordinates with vocational rehabilitation services to help participants achieve their goals for employment and independence. Transportation assistance is also provided to ensure participants can attend employment training and job interviews.

Andover participants establish a Crisis Plan with project staff to determine logistics in case a crisis occurs. Housing for New Hope coordinates with behavioral healthcare providers and works with Assertive Community Treatment (ACT) teams and/or Durham’s Crisis Intervention Team if/when needed.

Particularly because of this population’s vulnerability, the Andover project is committed to providing access to healthcare and working with Durham CoC agencies that provide healthcare. If program participants do not already have health insurance, project staff provide Medicare or Medicaid application assistance and connections to healthcare navigation services.

Dear Applicant:

Based on information you supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

Because you are a newly created organization, we are not now making a final determination of your foundation status under section 509(a) of the Code. However, we have determined that you can reasonably expect to be a publicly supported organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

Accordingly, during an advance ruling period you will be treated as a publicly supported organization, and not as a private foundation. This advance ruling period begins and ends on the dates shown above.

Within 90 days after the end of your advance ruling period, you must send us the information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. If you establish that you have been a publicly supported organization, we will classify you as a section 509(a)(1) or 509(a)(2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, we will classify you as a private foundation for future periods. Also, if we classify you as a private foundation, we will treat you as a private foundation from your beginning date for purposes of section 507(d) and 4940.

Grantors and contributors may rely on our determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you send us the required information within the 90 days, grantors and contributors may continue to rely on the advance determination until we make a final determination of your foundation status.

If we publish a notice in the Internal Revenue Bulletin stating that we

Letter 1045 (D0/CG)

will no longer treat you as a publicly supported organization; grantors and contributors may not rely on this determination after the date we publish the notice. In addition, if you lose your status as a publicly supported organization, and a grantor or contributor was responsible for, or was aware of, the act or failure to act, that resulted in your loss of such status, that person may not rely on this determination from the date of the act or failure to act. Also, if a grantor or contributor learned that we had given notice that you would be removed from classification as a publicly supported organization, then that person may not rely on this determination as of the date he or she acquired such knowledge.

If you change your sources of support, your purposes, character, or method of operation, please let us know so we can consider the effect of the change on your exempt status and foundation status. If you amend your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, let us know all changes in your name or address.

As of January 1, 1984, you are liable for social securities taxes under the Federal Insurance Contributions Act on amounts of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the private foundation excise taxes under Chapter 42 of the Internal Revenue Code. However, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Internal Revenue Code. Requests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Donors may deduct contributions to you only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, gives guidelines regarding when taxpayers may deduct payments for admission to, or other participation in, fundraising activities for charity.

You are not required to file Form 990, Return of Organization Exempt From Income Tax, if your gross receipts each year are normally \$25,000 or less. If you receive a Form 990 package in the mail, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally \$25,000 or less, and sign the return.

If you are required to file a return you must file it by the 15th day of the fifth month after the end of your annual accounting period. We charge a penalty of \$10 a day when a return is filed late, unless there is reasonable

cause for the delay. However, the maximum penalty we charge cannot exceed \$5,000 or 5 percent of your gross receipts for the year, whichever is less. We may also charge this penalty if a return is not complete. So, please be sure your return is complete before you file it.

You are not required to file federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

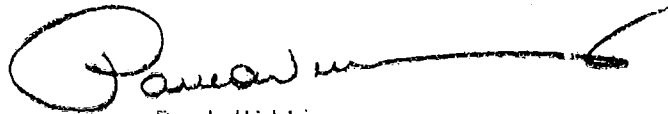

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, we will assign a number to you and advise you of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

If we said in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help us resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

Paul Williams  
District Director

You are required to make your annual return available for public inspection for three years after the return is due. You are also required to make available a copy of your exemption application, and supporting documents, and this exemption letter. Failure to make these documents available for public inspection may subject you to a penalty of \$10 per day for each day there is failure to comply (up to a maximum of \$5,000 in the case of an annual return). See Internal Revenue Service Notice 88-120, 1988-2 C.B. 454, for additional information.

If your organization conducts fund-raising events such as benefit dinners, auctions, membership drives, etc., where something of value is received in return for contributions, you can help your donors avoid difficulties with their income tax returns by assisting them in determining the proper tax treatment of their contributions. To do this you should, in advance of the event, determine the fair market value of the benefit received and state it in your fund-raising materials such as solicitations, tickets, and receipts in such a way that your donors can determine how much is deductible and how much is not. To assist you in this, the Service has issued Publication 1391, *Deductibility of Payments Made to Charities Conducting Fund-Raising Events*. You may obtain copies of Publication 1391 from your local IRS Office. Guidelines for deductible amounts are also set forth in Revenue Ruling 67-246, 1967-2 C.B. 104 and Revenue Procedure 90-12, 1990-1 C.B. 471 and Revenue Procedure 92-49, 1992-26 I.R.B. 18.

Dear Taxpayer:

This is in response to your July 11, 2012, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(03) of the Internal Revenue Code in a determination letter issued in FEBUARY 1994.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website [www.irs.gov/eo](http://www.irs.gov/eo) for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.
