2A. Project Detail

1. **CoC Number and Name:** NC-502 - Durham City & County CoC
2. **Collaborative Applicant Name:** City of Durham

3. **Project Name:** 2022 Planning Grant

4. **Component Type:** CoC Planning Project Application

2B. Project Description

1. Provide a description that addresses the entire scope of the proposed project and how the Collaborative Applicant will use grant funds to comply with 24 CFR 578.7:

The City of Durham Community Development Department (CDD) serves as the Lead Agency for the Durham City and County Continuum of Care (NC-502). The Durham CoC is comprised of stakeholders from all sectors of Durham including: the continuum of homeless housing and service providers, North Carolina Central University, Duke University, representatives from local congregations, City of Durham Workforce Development, elected official from the City and County of Durham, the Durham VA Medical Center, Durham Department of Social Services, Durham Public Schools, the Durham county Sheriff, and leadership from other sectors of the community. The CDD's CoC planning responsibilities include, but are not limited to: provision of staff support for the CoC Board's committees, organizing the ESG and CoC grant application and selection process and submission off the collaborative applications, planning and carrying out the annual homeless Point in Time count as well as the Housing Inventory Count, coordination and submission of HUD required annual reports, provision of staff support for achieving objectives in the Collaborative Application, development and maintenance of the Durham CoC's website, provision of technical assistance to homeless housing and service providers, implementation of the HMIS in coordination with the HMIS Lead Agency, and implementation of community wide strategic planning efforts of the Federal Plan to Prevent and End Homelessness. CoC Planning grant funds will be used to improve CDD's capacity to ensure the Durham CoC remains in compliance with 24 CFR 578.7. Planning funds will be used to pay for staff time to help the CoC meet goals outlined by HUD. Planning Grant funds will be used to assist with ensuring written standards are followed and updated if/when needed, evaluation of projects and the system as a whole, and ensuring coordination between service providers.

2. Describe the estimated schedule for the proposed activities, the management plan, and the method for assuring effective and timely completion of all work.

The Planning Grant funds will begin being used at the beginning of the City's fiscal year, July 1. CoC meetings and subcommittee meetings occur monthly, agendas and minutes are kept for these meetings. The Performance Management Committee with the help of CDD staff monitor and evaluate projects at least once per year and often twice per year. The Policy and Planning Committee conduct a gaps analysis annually. The work of CDD staff is coordinated by CDD's Manager of the Homeless System with guidance and input from the governing body of the CoC. All tasks are completed on time to ensure compliance with HUD timelines/deadlines and/or internal monitoring timelines.

3. How will the requested funds improve or maintain the CoC's ability to evaluate the outcome of CoC and ESG projects?

The CoC planning grant will allow CDD staff to allocate more time to evaluation of ESG projects in addition to the CoC NOFO funded projects. The funds will also allow CDD to continue to ensure coordination between homeless service providers and assess effectiveness of CoC and ESG programs. Through deeper and more frequent monitoring of projects CDD will be able to provide technical assistance to help organizations grow and achieve better outcomes. In the event organizations underperform and are unable to improve their outcomes funds may be reallocated to higher performing projects sooner than later resulting in better system performance.
