

## Before Starting the Project Application

**To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.**

Things to Remember:

- Additional training resources can be found on the HUD.gov at [https://www.hud.gov/program\\_offices/comm\\_planning/coc](https://www.hud.gov/program_offices/comm_planning/coc).
- Questions regarding the FY 2022 CoC Program Competition process must be submitted to [CoCNOFO@hud.gov](mailto:CoCNOFO@hud.gov).
- Questions related to e-snaps functionality (e.g., password lockout, access to user's application account, updating Applicant Profile) must be submitted to [e-snaps@hud.gov](mailto:e-snaps@hud.gov).
- Project applicants are required to have a Unique Entity Identifier (UEI) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2022 Continuum of Care (CoC) Program Competition. For more information see FY 2022 CoC Program Competition NOFO.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2022 CoC Program NOFO.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with navigational guides, which are also found on the HUD Exchange.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2021 Project Application will be imported into the FY 2022 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2022 CoC Program Competition NOFA.

## Information About Submission without Changes

Follow the instructions below making note of the exceptions and limitations to the “Submit Without Changes” process.

In general, HUD expects a project’s proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

The data from previously submitted new and renewal project applications can be imported into a FY 2022 renewal project application. The “Submit without Changes” process is not applicable for:

- first time renewing project applications
- a project application that did not import last FY 2021 information
- a project that had Issues or Conditions that were addressed in FY 2021 Post-Award and updates need to be reflected in the FY 2022 project application
- a project that had amendments approved in FY 2020 or FY 2021 that need to be reflected in the FY 2022 project application

e-snaps will automatically be set to “Make Changes” and all questions on each screen must be updated.

The e-snaps screens that remain “open” for required annual updates and do not affect applicants’ ability to select “Submit without Changes” are:

- Recipient Performance Screen
- Consolidation and Expansion
- Screen 3A. Project Detail
- Screen 6D. Sources of Match
- All of Part 7: Attachments and Certification; and
- All of Part 8: Submission Summary.

All other screens in Part 2 through Part 6 begin in “Read-Only” format and should be reviewed for accuracy; including any updates that were made to the 2021 project during the CoC Post Award Issues and Conditions process or as amended. If all the imported data is accurate and no edits or updates are needed to any screens other than the mandatory screens and questions noted above, project applicants should select “Submit Without Changes” in Part 8. If project applicants imported data and do need to make updates to the information on one or more screens, they must navigate to Part 8: “Submission Without Changes” Screen, select “Make Changes”, and check the box next to each relevant screen title to unlock screens for editing. After project applicants select the screens they intend to edit via checkboxes, click “Save” and those screens will be available for edit. Once a project applicant selects a checkbox and clicks “Save”, the project applicant cannot uncheck the box.

Please refer to the Detailed Instructions found on the left side menu of e-snaps or hud.gov to find more in depth information about applying under the FY 2022 CoC Competition.

1. Did you submit your previous year's Annual Performance Report (APR) on time? Yes
2. Do you have any unresolved HUD Monitoring or OIG Audit finding(s) concerning any previous grant term related to this renewal project request? No
3. Do you draw funds quarterly for your current renewal project? No
- 3a. If no was selected, explain why CoC Program funds are not drawn quarterly.  
UMD typically completes this monthly, but our current contract is still in progress and funds therefore can not be drawn.
4. Have any funds remained available for recapture by HUD for the most recently expired grant term related to this renewal project request? No

## Renewal Grant Consolidation or Renewal Grant Expansion

The FY2022 CoC Competition will continue offering opportunities to expand or consolidate CoC projects.

1. Expansions and Consolidations will submit individual applications.
  - a. Expansions will ONLY submit a Stand-Alone Renewal application and a Stand-Alone New application.
  - b. Consolidations will ONLY submit individual renewal project applications, identifying the renewal application that will survive, and the renewal applications that will terminate. Up to 10 grants may be included in a consolidation.
  
2. HUD HQ will combine the budget data (e.g., units, budgets) for Expansion or Consolidation requests from the individual project applications selected for conditional award and provide a data report with further instructions for the field office and conditional recipient.

**1. Is this renewal project application requesting to consolidate or expand?** Yes - Stand-Alone Renewal Application in a New Grant Expansion

If "No" click on "Next" or "Save & Next" below to move to the next screen.

**As part of the FY 2022 CoC Program project application process, project applicants can request their eligible renewal projects to be part of an Expansion. This process can combine up to 1 renewal project application and 2 new expansion project applications. Renewal projects that are part of an expansion must expire in Calendar Year (CY) 2023, as confirmed on the FY 2022 GIW or eLOCCS, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).**

2. In the fields below, enter the Project Name, PIN of the Stand-Alone Renewal project application and the Project Name for the Stand-Alone New project application as entered in e-snaps for the FY 2022 CoC Competition. There is no PIN for the Stand-Alone New, which is why the field will automatically fill as "NA". The Total Requested Amount for the Stand-Alone Renewal will automatically pull from the summary budget.

### 3B. Project Description

**1. Provide a description that addresses the entire scope of the proposed project.**

Urban Ministries of Durham (UMD) seeks to continue Fresh Start Durham, a progressive engagement rapid rehousing (RRH) initiative to enhance Durham’s system for serving chronically homeless single adults. Chronically homeless single adults who are not eligible for veteran’s services, have been in the shelter for over 60 days with no prospects for housing, have demonstrated the potential for at least part-time earned income to end their homelessness and generally have Vulnerability Index-Service Prioritization Decision Assistance Tool (VISPDAT) scores of 10 or below, will be considered for rapid rehousing prior to permanent supportive housing. Via this progressive engagement approach, limited permanent supportive housing will not be used for those who can sustain housing via a less intensive option, more chronically homeless persons will be housed and lengths of stay in shelter will be reduced. The goal is to house 18 individuals’ total. Fresh Start Durham (CoC) participants will work with a case manager to implement a personalized Pathway Plan, to gain and sustain income and housing and including priorities and step-by-step goals. Using a Housing First approach, participants will receive rental financial assistance, generally for up to 6 months, combined with life skills, financial management training, employment support, medical referrals and connections with providers and mainline benefits. UMD will partner with Durham Literacy Council, Community Empowerment Fund, Durham Tech, StepUp Durham, Lincoln Community Health, Alliance Behavioral Healthcare, and homeless service providers, to enhance workforce and housing stability. Though clients may live wherever their budgets allow, shared housing will be encouraged as permanent rental options to provide a financially feasible fresh start and a path to long term self-sufficiency. If after 6 months there are individuals who are demonstrating that they are not able to maintain permanent housing with rapid rehousing and need more extensive intervention, they will be prioritized for Housing Choice Vouchers provided for homeless persons by Durham Housing Authority and permanent supportive housing offered by CoC providers through the community’s system for housing chronically homeless persons. UMD piloted an approach similar to Fresh Start in Spring 2015 for nine selected adult participants. We subsequently entered the CoC FY2015 grant funding competition and received notice of awarded funding in May 2016 to support Fresh Start Durham. We began service in March 2017 and so far have housed 76 chronically homeless clients.
